In situations where the work in the Pipeline Corridor requires that the depth of the pipeline be accurately known as determined by Grantee, prior to work commencing, Grantee shall pothole or take other action as

Grantee deems necessary to ascertain the depth and exact location of the pipeline in the area of the work.

6.10 Nothing in this Franchise shall be deemed to impose any duty or obligation upon Grantor to determine the adequacy or sufficiency of Grantee's plans and designs or to ascertain whether Grantee's proposed or actual construction, testing, maintenance, repairs, replacement or removal is adequate or sufficient or in conformance with the plans and specifications reviewed by Grantor.

6.11 Grantee shall be solely and completely responsible for workplace safety and safe working practices on its job sites within the Franchise area, including safety of all persons and property during the performance of any work.

7.2 If the federal office of pipeline safety or the state regulatory agency significantly decrease their staffs, or if any congressional or legislative study indicates that federal or state regulatory oversight has significantly decreased in effectiveness during the term of this Franchise, then Grantee and Grantor agree to expeditiously negotiate new franchise provisions that will provide Grantor with access to detailed information regarding testing and inspection such as would have been routinely submitted to the federal or state regulatory agencies under the regulations in effect at the time of the Effective Date. Grantee agrees to cover all costs reasonably incurred by Grantor for expert assistance in interpreting the testing and inspection data. If Grantor and Grantee fail to agree upon new franchise provisions, the issues shall be resolved through the Dispute Resolution provisions of Section 13.

This plan shall include at least the following: 1) education and one-call involvement as defined in Federal Regulations; 2) an Encroachment management processes demonstrating: a) Grantee's process for monitoring unauthorized activity in or near the Pipeline Corridor; b) Grantee's field verification of the location of Facilities within the Pipeline Corridor; c) Grantee's Encroachment tracking system; d) control center notification of existing or active encroachments; and e) assertive protection of the pipeline Rights-of-Way and; 3) Grantee's process for approving Crossings, and its policies and procedures with respect thereto.

8.2 Upon notification to Grantee of planned construction involving excavation or any activity that could abnormally load the pipeline, by either Grantor or any third party, within fifty (50) feet of Grantee's Pipeline Corridor, Grantee shall flag the location of its Facilities before the construction or activity commences, provide a representative to inspect the construction when it

commences, and periodically inspect thereafter to ensure that Grantee's Pipeline is not damaged by the construction or activity. In situations where the work in the Pipeline Corridor requires that the depth of the pipeline be accurately known as determined by Grantee, prior to work commencing, Grantee shall pothole or take other action as Grantee deems necessary to ascertain the depth and exact location of the pipeline in the area of the work.

8.3 Upon Grantor's reasonable request, in connection with the design of any city project, Grantee will verify the exact location of its underground Facilities within the Pipeline Corridor by excavating (pot holing) at no expense to Grantor. In the event Grantee performs such excavation, Grantor shall not require any restoration of the disturbed area in excess of restoration to the same condition as existed immediately prior to the excavation.

Section 9. Leaks, Spills, Ruptures and Emergency Response.

9.1 Grantee shall have in place, at all times during the term of this Franchise, a system for remotely monitoring pressures and flows across the Franchise Area. The remote monitoring must be able to accurately detect pipeline ruptures.

9.2 During the term of this Franchise, Grantee shall have a written emergency response plan and procedure for locating leaks, spills, and ruptures and for shutting down valves as rapidly as possible.

9.3 Grantee has provided Grantor with a copy of its state approved emergency response plans and procedures, including, but not limited to, emergency response for spills or leaks. Grantee will provide Grantor an updated copy of its emergency response plans and procedures after they are adopted and approved.

9.4 Grantee's emergency plans and procedures shall designate Grantee's responsible local emergency response officials and a direct 24-hour emergency contact number for control center operator. Grantee shall, after being notified of an emergency, cooperate with the Grantor and make every effort to respond as soon as possible to protect the public's health, safety and welfare.

9.5 Upon prior written request of Grantor, Grantee agrees to meet annually to review its emergency response plans and procedures.

9.6 Grantee shall be solely responsible for all necessary costs incurred by city, county, special district or state agencies in responding to any rupture, spill, or leak from Grantee's Facilities, including, but not limited to, detection and removal of any contaminants from air, earth or water, and all actual remediation costs. This section shall not limit Grantees rights or causes of action against any third party or parties who may be responsible for a leak, spill or other release of hazardous liquid from Grantees pipeline, including such third party's insurers.

9.7 In addition to the notification requirements in the emergency response plan, Grantee shall notify Grantor of any uncontained leak, spill or rupture, outside of a vault or pump station, of petroleum product from its Facilities within or affecting the Franchise Area totaling one (1) barrel or more within one (1) business day of its observation or detection.

9.8 If requested by Grantor in writing, Grantee shall follow-up this notice within thirty (30) days

with a written summary of the event, including, but not limited to, the leak, spill, or rupture's date, time, amount, location, response, remediation and other agencies Grantee has notified.

9.9 In the event of an uncontained leak, spill or rupture from Grantee's pipeline(s) and/or Facilities affecting the Franchise Area of ten (10) barrels or more, where the cause is not reasonably apparent, and where federal or state regulators do not investigate, the Grantor may demand that the occurrence be investigated by an independent pipeline consultant selected by Grantor. Grantee shall be solely responsible for paying all of the consultant's costs and expenses incurred in investigating the occurrence and reporting the findings. Grantee shall meet and confer with the independent consultant following the consultant's investigation to address whether any modifications or additions to Grantee's pipeline(s) and/or Facilities may be warranted. In cases where federal or state regulators do perform an investigation, Grantee agrees to share the results of that investigation with the city within sixty (60) days from receipt of the same.

9.10 If the consultant recommends that Grantee make modifications or additions to Grantee's Facilities, Grantee covenants to consider said recommendations in good faith. If Grantee declines to follow the consultant's recommendations, Grantee shall provide a written report to the Grantor explaining its reasoning for not following said recommendations. The parties agree to comply with the dispute resolution provisions contained herein to resolve any dispute over the whether to follow the consultant's recommendations.

10.2 Grantor shall provide Grantee with copies of pertinent portions of the plans and specifications for the improvement project. Upon request, Grantee shall, at its cost and expense, determine and identify for Grantor the exact location of its Facilities potentially affected by the improvement project.

10.3 Grantee may, after receipt of written notice requesting a relocation of its Facilities, submit to Grantor written alternatives to the relocation within forty five (45) calendar days of receiving the plans and specifications. Grantor shall evaluate the alternatives and advise Grantee in writing if one or more of the alternatives are suitable to accommodate the work that would otherwise necessitate relocation of the Facilities. If requested by Grantor, Grantee shall submit additional information to assist Grantor in making the evaluation. Grantor shall give each alternative proposed by Grantee full and fair consideration but retains full discretion to decide for itself whether to utilize its original plan or an alternative proposed by Grantee. In the event Grantor ultimately determines that there is no other reasonable alternative, Grantee shall relocate its Facilities as proposed by Grantor.

10.4 If any improvement project under Section 10.1 is required in the interest of public health, safety, welfare, necessity or convenience, as adjudged in the sole discretion of the Grantor acting reasonably, the Grantee shall make such changes as required herein at Grantee's sole cost, expense and risk.

10.5 Grantor shall work cooperatively with Grantee in determining a viable and practical route within which Grantee may relocate its Facilities, in order to minimize costs while meeting Grantor's project objectives.

10.6 Grantee shall complete relocation of its Facilities so as to accommodate the improvement project at least ten (10) calendar days prior to commencement of the improvement project or such other time as the parties may agree in writing.

Section 11. Decommissioning.

11.1 In the event of Grantee's permanent cessation of use of its Facilities within the Franchise Area, the Grantee shall, within one hundred and eighty (180) days after receipt of written notification from Grantor, remove the Facilities from Public Properties.

11.2 In the event of the removal of all or a portion of the Facilities, Grantee shall restore the Public Properties to as good or better condition as they were in before the work began.

11.3 Removal and/or Decommissioning and restoration work shall be done at Grantee's sole cost and expense in accordance with all applicable regulations and standards. Grantee shall be responsible for any environmental review required for removal and/or decommissioning of any Facilities and the payment of any costs of the environmental review.

11.4 If Grantee is required to remove its Facilities and fails to do so and/or fails to adequately restore the Public Properties or other mutually agreed upon action(s), Grantor may, after reasonable notice to Grantee, remove the Facilities, restore the Public Properties and/or take other action as is reasonably necessary at Grantee's expense. This remedy shall not be deemed to be exclusive and shall not prevent Grantor from seeking a judicial order directing that the Facilities be removed.

11.5 If permitted by applicable regulations and with the express written consent of the Grantor, Grantee may purge its Facilities located on Public Properties and abandon them in place. Grantee shall be responsible for any environmental review required for the abandonment of any Facilities and the payment of any costs of such environmental review. Grantor's consent to the abandonment of Facilities on Public Properties in place shall not relieve the Grantee of the obligation and/or costs to remove or to alter such Facilities in the future in the event it is reasonably determined that removal or alterations is necessary or advisable for the health and safety of the public, in which case the Grantee shall perform such work at no cost to the Grantor. This provision shall survive the expiration, revocation or termination of this Franchise.

11.6 The parties expressly agree that this provision of this Section shall survive the expiration, revocation or termination of this Franchise.

Section 12. Violations, Remedies and Termination.

12.1 In addition to any rights set out elsewhere in this Franchise, or other rights it may possess at

law or equity, the Grantor reserves the right to apply any of the following remedies, alone or in combination, in the event Grantee violates any material provision of this Franchise. The remedies provided for in this Franchise are cumulative and not exclusive; the exercise of one remedy shall not prevent the exercise of another, or any rights of the Grantor at law or equity.

12.2 Grantor may terminate this Franchise if Grantee materially breaches or otherwise fails to perform, comply with or otherwise observe any of the terms and conditions of this Franchise, or fails to maintain all required licenses and approvals from federal, state, and local jurisdictions, and fails to cure such breach or default within thirty (30) calendar days of Grantor's providing Grantee written notice thereof, or, if not reasonably capable of being cured within thirty (30) calendar days, within such other reasonable period of time as the parties may agree upon.

12.3 This Franchise shall not be terminated except upon a majority vote of the full membership of the City Council, after reasonable notice to Grantee and an opportunity to be heard, provided that if exigent circumstances necessitate immediate termination, the hearing may be held as soon as possible after the termination.

12.4 In the event of termination under this Franchise, Grantee shall immediately discontinue operation of the Facilities within the Franchise Area. Either party may in such case invoke the dispute resolution provisions herein. Alternatively, Grantor may elect to seek relief directly in Superior Court, in which case the dispute resolution requirements shall not be applicable in this limited situation. Once the Grantee's rights to Operate in the Franchise Area have terminated, Grantee shall comply with Franchise provision regarding removal and/or abandonment of Facilities.

12.5 Grantor's failure to exercise a particular remedy at any time shall not waive Grantor's right to terminate, assess penalties, or assert any other remedy at law or equity for any future breach or default of Grantee.

12.6 Termination of this Franchise shall not release Grantee from any liability or obligation with respect to any matter occurring prior to such termination, nor shall such termination release Grantee from any obligation to remove or secure the Facilities pursuant to this Franchise and to restore the Franchise Area.

12.7 The parties acknowledge that the covenants set forth herein are essential to this Franchise, and, but for the mutual agreements of the parties to comply with such covenants, the parties would not have entered into this Franchise. The parties further acknowledge that they may not have an adequate remedy at law if the other party violates such covenant. Therefore, the parties shall have the right, in addition to any other rights they may have, to obtain in any court of competent jurisdiction injunctive relief to restrain any breach or threatened breach or otherwise to specifically enforce any of the covenants contained herein should the other party fail to perform them.

Section 13. Dispute Resolution.

13.1 In the event of a dispute between Grantor and Grantee arising by reason of this Franchise, the dispute shall first be referred to the operational officers or representatives designated by Grantor and Grantee to have oversight over the administration of this Franchise. The officers or

representatives shall meet within thirty (30) calendar days of either party's request for a meeting, whichever request is first, and the parties shall make a good faith effort to attempt to achieve a resolution of the dispute.

13.2 In the event that the parties are unable to resolve the dispute under the procedure set forth in this section, then the parties hereby agree that the matter shall be referred to mediation. The parties shall mutually agree upon a mediator to assist them in resolving their differences. If the parties are unable to agree upon a mediator, the parties shall jointly obtain a list of seven (7) mediators from a reputable dispute resolution organization and alternate striking mediators on that list until one remains. A coin toss shall determine who may strike the first name. If a party fails to notify the other party of which mediator it has stricken within two (2) business days, the other party shall have the option of selecting the mediator from those mediators remaining on the list. Any expenses incidental to mediation shall be borne equally by the parties.

13.3 If the parties fail to achieve a resolution of the dispute through mediation, either party may then pursue any available judicial remedies, provided that if the party seeking judicial redress does not substantially prevail in the judicial action, it shall pay the other party's reasonable legal fees and costs incurred in the judicial action.

Section 14. Indemnification.

14.1 General Indemnification. Except to the extent caused by the actions or omissions of Grantor, its employees, agents, contractors and subcontractors ("Grantor's Actions"), Grantee shall indemnify, defend and hold harmless Grantor from any and all liability, loss, damage, cost, expense, and claim of any kind, including reasonable attorneys' and experts' fees incurred by Grantor in defense thereof, arising out of or related to, directly or indirectly, the installation, construction, operation, use, location, testing, repair, maintenance, removal, or abandonment of Grantee's Facilities, or from the existence of Grantee's Facilities, and the products contained in, transferred through, released or escaped from said Facilities, including the reasonable costs of assessing such damages and any liability for costs of investigation, abatement, correction, cleanup, fines, penalties, or other damages arising under any environmental laws. Except to the extent caused by Grantor's Actions, if any action or proceeding is brought against Grantor by reason of the Facilities, Grantee shall defend the Grantor at the Grantee's complete expense, provided that, for uninsured actions or proceedings, defense attorneys shall be approved by Grantor, which approval shall not be unreasonably withheld.

14.2 Environmental Indemnification. Except to the extent caused by Grantor's Actions, Grantee shall indemnify, defend and save Grantor harmless from and against any and all liability, loss, damage, expense, actions and claims, either at law or in equity, including, but not limited to, costs and reasonable attorneys' and experts' fees incurred by Grantor in defense thereof, arising directly or indirectly from (a) Grantee's breach of any environmental laws applicable to the Facilities or (b) from any release of a hazardous substance on or from the pipeline or (c) other activity related to this Franchise by Grantee, its agents, contractors or subcontractors. This indemnity includes but is not limited to (a) liability for a governmental agency's costs of removal or remedial action for hazardous substances; (b) damages to natural resources caused by hazardous substances, including the reasonable costs of assessing such damages; (c) liability for any other person's costs of responding to hazardous substances; (d) liability for any costs of investigation, abatement, correction, cleanup, fines, penalties, or other damages arising under any

environmental laws; and (e) liability for personal injury, property damage, or economic loss arising under any statutory or common-law theory.

Section 15. Insurance and Bond Requirements.

15.1 During this Franchise, Grantee shall provide and maintain, at its own cost, insurance in the minimum amount of ONE HUNDRED MILLION UNITED STATES DOLLARS (\$100,000,000.00) in the aggregate, in a form and with a carrier reasonably acceptable to the Grantor, naming Grantor as an additional insured and solely to the extent of Grantee's indemnity obligations hereunder, to cover any and all insurable liability, damage, claims and loss to the extent such coverage is reasonably available in the commercial marketplace, excepting at all times liability for fines and penalties for violation of environmental laws and punitive damages. Insurance coverage shall include, but is not limited to, defense costs. Such insurance shall include, but is not limited to, pollution liability coverage, at a minimum covering liability from sudden and accidental occurrences, subject to time element reporting requirements as is reasonably available in the commercial marketplace.

15.2 Proof of insurance naming Grantor as an additional insured, including any endorsement that may be required, shall be provided to the Grantor prior to the beginning of any substantial work, testing or construction or reconstruction on the Pipeline. Said insurance shall contain a provision that it shall not be canceled without a minimum of thirty (30) days prior written notice to the Grantor.

15.3 The indemnity and insurance provisions contained herein shall survive the termination of this Franchise and shall continue for as long as the Grantee's Facilities shall remain in use on Public Properties or until the parties execute a new Franchise Agreement which modifies or terminates these indemnity and insurance provisions.

Section 16. Receivership and Foreclosure.

16.1 Grantee shall immediately notify the Grantor in writing if it: files a voluntary petition in bankruptcy, a voluntary petition to reorganize its business, or a voluntary petition to effect a plan or other arrangement with creditors; files an answer admitting the jurisdiction of the Court and the material allegations of an involuntary petition filed pursuant to the Bankruptcy Code, as amended; or is adjudicated bankrupt, makes an assignment for the benefit of creditors, or applies for or consents to the appointment of any receiver or trustee of all or any part of its property including all or any parts of its business operations, pipeline(s) or Facilities within or affecting the Franchise Area.

16.2 Upon the foreclosure or other judicial sale of all or a substantial part of Grantee's business operations, or Facilities within or affecting the Franchise Area, or upon the termination of any lease covering all or a substantial part of the Facilities within or affecting the Franchise Area, or upon the occasion of additional events which effectively cause termination of Grantee's rights or ability to operate the Facilities within or affecting the Franchise Area, Grantee shall notify the Grantor of such fact, and such notification or the occurrence of such terminating events shall be treated as a notification that a change in control of the Grantee has taken place, and the provisions of this Franchise Agreement governing the consent of the Grantor to such change in control of the Grantee shall apply.

16.3 The Grantor shall have the right to cancel this Franchise one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of a Grantee, whether in receivership, reorganization, bankruptcy, or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) days, or unless: a) Within one hundred twenty (120) days after the election or appointment, such receiver or trustee shall have fully complied with all of the provisions of this Franchise Agreement and remedied any existing violations and/or defaults; and b) Within said one hundred twenty (120) days, such receiver or trustee shall have executed an agreement, duly approved by the court having jurisdiction, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise Agreement granted to the Grantee except where expressly prohibited by Washington law.

Section 17. Franchise Fee and Costs.

17.1 In consideration for granting this Franchise and for the use of the Public Properties in the Franchise Area, there is hereby established an annual fee equal to Fifteen Thousand Dollars (\$15,000.00). The parties agree that the foregoing fee is proportional to the municipal services provided.

17.2 The first annual payment shall be paid at the time Grantee accepts this Franchise and shall cover the next twelve (12) months. Each succeeding installment shall cover the next twelve (12) month period and shall be paid not later than the anniversary date of the Effective Date of this Franchise.

17.3 Interest shall accrue on any late payment at the rate of twelve percent (12%) per annum. The annual fee shall remain constant for the first three (3) years of this Franchise and shall then subsequently increase at a rate of one and a half percent (1 1/2%) every year thereafter beginning with year four (4) for the Franchise's remaining term.

17.4 Grantee agrees to pay a fee or a charge so that Grantor recovers its actual, reasonable, administrative expenses directly related to preparing and approving this Franchise. Nothing herein shall preclude Grantor from charging administrative fees or recovering administrative costs incurred by Grantor in the approval of permits or in the reasonable supervision, inspection or examination of all work by Grantee in the Franchise Area to ensure compliance with the terms of this Franchise and the applicable permits, as required by the applicable provisions of Grantor's municipal code.

Section 18. Legal Relations.

18.1 Nothing contained in this Franchise shall be construed to create an association, trust, partnership, agency relationship, or joint venture or to impose a trust, partnership, or agency duty, obligation or liability on or with regard to any party. Each party shall be individually and severally liable for its own duties, obligations, and liabilities under this Franchise.

18.2 Grantee accepts any privileges granted by Grantor to the Franchise Area, public Rights-of-Way and other Public Property in an "as is" condition. Grantee agrees that Grantor has never made any representations, implied or express warranties or guarantees as to the suitability, security or safety of Grantee's location of facilities or the facilities themselves in Public Property

or Rights-of-Way or possible hazards or dangers arising from other uses of the public Rights-of-Way or other Public Property by Grantor or the general public. Grantee shall remain solely and separately liable for the function, testing, maintenance, replacement and/or repair of the pipeline or other activities permitted under this Franchise.

18.3 Grantee waives immunity under Title 51 RCW in any cases involving the Grantor and affirms that the Grantor and Grantee have specifically negotiated this provision, to the extent it may apply.

18.4 This Franchise shall not create any duty of Grantor or any of its officials, employees or agents and no liability shall arise from any action or failure to act by Grantor or any of its officials, employees or agents in the exercise of powers reserved to the Grantor. Further, this ordinance is not intended to acknowledge, create, imply or expand any duty or liability of the Grantor with respect to any function in the exercise of its police power or for any other purpose. Any duty that may be deemed to be created in Grantor shall be deemed a duty to the general public and not to any specific party, group or entity.

18.5 This Franchise shall be governed by, and construed in accordance with, the laws of the State of Washington and the parties agree that in any action, except actions based on federal questions, venue shall lie exclusively in Whatcom County, Washington.

Section 19: Miscellaneous.

19.1 In the event that a court or agency of competent jurisdiction declares a material provision of this Franchise to be invalid, illegal or unenforceable, the parties shall negotiate in good faith and agree, to the maximum extent practicable in light of such determination, to such amendments or modifications as are appropriate actions so as to give effect to the intentions of the parties as reflected herein. If severance from this Franchise of the particular provision(s) determined to be invalid, illegal or unenforceable will fundamentally impair the value of this Franchise, either party may apply to a court of competent jurisdiction to reform or reconstitute the Franchise so as to recapture the original intent of said particular provision(s). All other provisions of the Franchise shall remain in effect at all times during which negotiations or a judicial action remains pending.

19.2 Whenever this Franchise sets forth a time for any act to be performed, such time shall be deemed to be of the essence, and any failure to perform within the allotted time may be considered a material violation of this Franchise.

19.3 In the event that Grantee is prevented or delayed in the performance of any of its obligations under this Franchise by reason(s) beyond the reasonable control of Grantee, then Grantee's performance shall be excused during the Force Majeure occurrence. Upon removal or termination of the Force Majeure occurrence the Grantee shall promptly perform the affected obligations in an orderly and expedited manner under this Franchise or procure a substitute for such obligation or performance that is satisfactory to Grantor. Grantee shall not be excused by mere economic hardship nor by misfeasance or malfeasance of its directors, officers or employees.

19.4 The Section headings in this Franchise are for convenience only, and do not purport to and shall not be deemed to define, limit, or extend the scope or intent of the Section to which they pertain.

19.5 By entering into this Franchise, the parties expressly do not intend to create any obligation or liability, or promise any performance to, any third party, nor have the parties created for any third party any right to enforce this Franchise.

19.6 This Franchise and all of the terms and provisions shall be binding upon and inure to the benefit of the respective successors and assignees of the parties.

19.7 Whenever this Franchise calls for notice to or notification by any party, the same (unless otherwise specifically provided) shall be in writing and directed to the recipient at the address set forth in this Section, unless written notice of change of address is provided to the other party. If the date for making any payment or performing any act is a legal holiday, payment may be made or the act performed on the next succeeding business day which is not a legal holiday.

19.9 This Franchise and the attachments hereto represent the entire understanding and agreement between the parties with respect to the subject matter and it supersedes all prior oral negotiations between the parties. This Franchise can be amended, supplemented, modified or changed only by an agreement in writing which makes specific reference to the Franchise or the appropriate attachment and which is signed by the party against whom enforcement of any such amendment, supplement, modification or change is sought.
