A. Right-of-Way. The criteria for determining the category of a right-of-way permit are listed in 12.50.030.

B. Reproducing public records.

1. The Town finds that calculating the actual costs of providing paper or electronic copies of public records would be unduly burdensome because of the complexity of factors involved in calculating such a charge. The Town will therefore charge fees for providing copies of public records in accordance with RCW 42.56.120, as set forth in Section 3.32.010.
2. Actual reproduction cost shall be charged for copies or scans which the Town is unable to reproduce in-house. The charge is the amount necessary to reimburse the Town for its actual costs incident to such copying and will be based on the costs charged by the off-site vendor or copying service. The Town may, at its discretion, choose to send large or complex copy jobs to outside vendors even when the Town can complete the job in house when doing so would conserve resources. In this case, the charge will be based on the total charge imposed by the off-site copying service.

C. When a stated fee amount in the fee schedule includes “plus costs”, the costs are due and payable to the Town from the applicant or property owner, as provided in WMC 3.32.020.

D. Town Hall Rental.

1. Rental of Town Hall shall be at the discretion of the Mayor, or the Mayor’s designee, in accordance with applicable federal and state laws and this Fee Schedule. The Mayor may waive any and all fees for a not-for-profit business or organization that provides a service to the Town or its residents or for a government agency or public official acting in their governmental capacity.
2. Cancellations and refunds shall be processed pursuant to the Town’s Facility Usage Policy.

E. Permit Refunds.

1. The building official may authorize refunding of not more than eighty percent of the plan review fee paid when an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan reviewing is done.
2. The building official may authorize refunding of not more than eighty percent of the permit fee paid when no work has been done under a permit issued in accordance with this chapter.
3. The building official shall not authorize a refund of any fee paid except on written application filed by the original permittee not later than one hundred eighty days after the date of payment of the fee.

F. Stormwater Utility

1. The Stormwater Utility Service Charges listed in Section A shall increase annually by the June-to-June CPI-U for Seattle-Tacoma-Bellevue, with a minimum increase of 3%, rounded up to the nearest whole number. (WMC 11.01.110)
